

§ 1439.10

§ 1439.10 Benefits limitation.

The total amount of benefits that a person, as determined in accordance with part 1400 of this chapter, shall be entitled to receive under any subpart may not exceed \$40,000 for any one loss or year. Also, the Deputy Administrator may take such action as needed, whether or not specifically provided for, to avoid a duplication of benefits under the several programs provided for in this part and may impose such cross-program payment limitations as may be consistent with the intent of this section and this part.

§ 1439.11 Gross revenue limitation.

A person, as defined in part 1400 of this chapter, who has annual gross revenue in excess of \$2.5 million shall not be eligible to receive assistance under this part. For the purpose of this determination, annual gross revenue means:

(a) With respect to a person who receives more than 50 percent of such person's gross income from farming and ranching, the total gross revenue received from such operations; and

(b) With respect to a person who receives 50 percent or less of such person's gross income from farming and ranching, the total gross revenue from all sources.

§ 1439.12 Maintenance of books and records.

Livestock producers or any other individual or entity seeking or receiving assistance under this part shall maintain and retain financial books and records that will permit verification of all transactions with respect to the provisions of this part for at least 3 years following the end of the calendar year in which assistance was provided, or for such additional period as CCC may request. Destruction of records after that date shall be at the risk of the producer or other person receiving assistance. An examination of such books and records by a duly authorized representative of the United States Government shall be permitted at any time during business hours.

SOURCE: 70 FR 16394, Mar. 31, 2005, unless otherwise noted.

§ 1439.100 Administration.

(a) The regulations in this subpart provide for what will be referred to as the 2003/2004 Livestock Assistance Program (LAP) which will be administered under the general supervision and direction of the Executive Vice President, Commodity Credit Corporation (CCC), and the Deputy Administrator for Farm Programs, Farm Service Agency (FSA). In the field, the regulations in this part will be administered by FSA State and county committees.

(b) The FSA State executive directors, county executive directors, and State and county committees do not have the authority to modify or waive any of the provisions in this part unless specifically authorized by the Deputy Administrator.

(c) The FSA State committee may take any action authorized or required by this part to be taken by the FSA county committee that has not been taken by such committee, such as:

(1) Correct or require a FSA county committee to correct any action taken by such committee that is not in accordance with this part; or

(2) Require an FSA county committee to withhold taking any action that is not in accordance with this part.

(d) No delegation herein to an FSA State or county committee shall preclude the Executive Vice President, CCC, or a designee, or the Deputy Administrator from determining any question arising under this part or from reversing or modifying any determination made by an FSA State or county committee.

(e) Data furnished by the applicants will be used to determine eligibility for program benefits. Although participation in the 2003/2004 LAP is voluntary, program benefits will not be provided unless the participant furnishes all requested data.

§ 1439.101 Applicability.

(a) Subject to the availability of funds, this subpart sets forth the terms

and conditions applicable to the 2003/2004 LAP authorized by Public Law 108-324. Program regulations for prior livestock assistance programs can be found at 7 CFR 1439 as it was published on January 1, 2001, January 1, 2002, and January 1, 2004. Benefits will be provided to eligible livestock producers in the United States under this subpart in declared disaster counties that were subsequently approved for relief under this part by the Deputy Administrator.

(b) Unless otherwise determined by the Deputy Administrator, a livestock producer is not eligible to receive payments for the same loss under both this subpart and another Federal program.

§ 1439.102 Definitions.

The definitions set forth in this section shall be applicable for all purposes of administering this subpart. The definitions in § 1439.3 shall also be applicable, except where those definitions conflict with the definitions set forth in this subpart, in which case the definitions in this section will apply.

(b) To be eligible for benefits under this subpart, a livestock producer in an eligible county must have suffered a loss of grazing production in an eligible county equivalent to at least a 40-percent loss of normal carrying capacity for a minimum of 3 consecutive months during the 2003 or 2004 production year as defined in § 1439.102.

(c)(1) Producers in counties contiguous to an eligible county that were not designated as a disaster county in their own right will not receive benefits under this subpart.

(2) Grazing losses must have occurred on native and improved pasture with permanent vegetative cover and other crops planted specifically for the sole purpose of providing grazing for livestock, but such losses do not include losses on, or with respect to, land seeded to small grain forage crops.

(d) The percentage of loss eligible for compensation shall not exceed the maximum percentage of grazing loss for the county as determined by the FSA county committee and not be greater than 80 percent; and

(e) The FSA county committee shall determine the producer's grazing loss and shall consider the amount of available grazing production during the LAP normal grazing period, whether more than the normal acreage of grazing land was required to support livestock during the LAP normal grazing period, and whether supplemental feeding of livestock began earlier or later
